ABOUT US

The Journey to Happiness
Begins Here

Qoot Food Ltd. brings together food science, manufacturing excellence, and a passion for innovation to create products that people enjoy every day. From cookies and bakery products to nutrition bars, snacks, and millet-based innovations, Qoot develops and manufactures food solutions for brands across India and international markets.

What Powers Qoot

- ✓ FSSC 22000 FSMS, HACCP & ZED Gold Certified
- ✓ Dedicated Product Development & Innovation Team
- ✓ Export-Ready Manufacturing Infrastructure
- ✓ Private Label & Contract Manufacturing Expertise
- ✓ Focus on Quality, Consistency & Traceability

Introducing Quipps

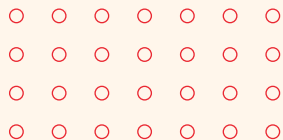

Quipps is Qoot's clean-label snacking range inspired by a simple belief, great snacks don't need unnecessary ingredients.

That's why our cookies, protein cookie bars, millet puffs, and high-protein snacks are thoughtfully crafted with ingredients people recognize and flavours people love. By combining wholesome grains, nuts, millets, natural sweeteners, and plant proteins, Quipps brings together mindful nutrition and everyday indulgence.

**Better ingredients. Honest recipes.
Happiness in every bite.**

Cookies, bars, puffs and protein snacks crafted for today's smarter snacking habits — full of flavour, made with better ingredients, and designed to make every bite feel joyful.

OUR RANGE OF PRODUCTS

Cookies, Bars & Snacks

Cookies

Enjoy a delicious range of cookies made with better ingredients, from Almond Sticks, Ginger Cookies and Millet Honey Cookies to Short Bread Bites, Gluten-Free Cookies & Monk Fruit Sweetened Cookies.

High Protein Cookie Bars

Power your day with Quipps protein bars made with real ingredients, 9g protein per bar, no maida, no palm oil and no artificial preservatives.

Positioning

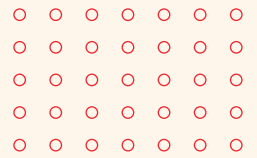

Dragon Balls can be positioned as a playful, flavoured snack with strong visual appeal and broad consumer appeal. The range can be customized for different taste profiles, colour themes, and packaging formats.

Best For

- > Kids' snack packs
- > Party snacks
- > Retail pouches
- > Gift packs
- > Private label snack products
- > Custom flavour launches

Extruded Crispy Balls & Baked Chips

The Crunch Behind Great Products

Precision-crafted inclusions for Health bars, Choco bars, cereals, chocolates, snacks & food innovation applications.

Crispy Balls

Rice Crispy Balls

Uniform, flavour-neutral crispy inclusions designed for consistent performance across bars, cereals and chocolate applications.

Key Features

- ✓ Uniform shape, consistent every batch
- ✓ Superior binding through coating & compression
- ✓ Flavour-neutral profile that lets your recipe lead

Best For

Chocolate Bars | Protein Bars | Cereals

Millet Crispy Balls

Ancient-grain crispy inclusions built for clean-label health and energy products.

Key Features

- ✓ Ancient grain base, clean-label ready
- ✓ Naturally fibre-rich and nutrient-dense
- ✓ Crunch that survives processing

Best For

Health Bars | Energy Bars | Millet Cereals

Fortified Rice Crispy Balls

Custom-fortified crispy inclusions designed for nutrition-focused & institutional applications.

Key Features

- ✓ Custom fortification with Vitamin A, Vitamin B, Vitamin D, iron and zinc
- ✓ Heat-stable format with nutrients locked through the process
- ✓ FSSAI compliant and documentation ready

Best For

Nutrition Bars | Fortified Cereal | Institutional Supply

Ragi Crispy Balls

Finger millet crispy inclusions for premium health cereals, bars and functional snacks.

Key Features

- ✓ Finger millet, one of India's most nutrient-dense grains
- ✓ Rich in calcium, iron and natural dietary fibre
- ✓ Clean-label profile that pairs well with dark chocolate and nut bases

Best For

Ragi Bars | Premium Health Cereals | Functional Snacks

Ragi / Millet Bhujia

A crunchy, savoury bhujia made with the goodness of ragi and traditional Indian spices. Its earthy millet flavour, crisp texture, and balanced seasoning make it a smarter everyday snack for tea-time, travel, retail packs, and private-label launches.

Key Features

- ✓ Made with Ragi
- ✓ Crunchy Millet-Based Snack
- ✓ Traditional Indian Masala Taste
- ✓ Great for Tea-Time & On-the-Go Snacking
- ✓ Suitable for Retail, Bulk & Private Label Supply

Customizable as per customer ingredient requirement

Best For

Modern namkeen ranges, millet-based snacks, traditional snack innovation, and private-label savoury products.

Extruded Chips

Millet Extruded Chips – Jowar & Bajra

Innovation in Chips segment (available in Triangle / Oval shape)

Millet chips (triangle or oval shape) made from a jowar and bajra blend, suitable as finished snacks or as a co-manufacturing ingredient.

Key Features

- ✓ Triangle/Oval jowar and bajra blend with a naturally gluten-free profile
- ✓ Wholesome, earthy base with superior crunch retention
- ✓ Clean-label positioning that meets modern health-snacking demand
- ✓ Ideal as finished chips or as a co-manufacturing ingredient

Best For

Health Snack Brands | Millet Chip Launches | Private Label | HoReCa

Corn Extruded Chips

Classic triangle/oval corn chips with a neutral base, designed for seasoning, coating and high-volume consistency.

Key Features

- ✓ Triangle/Oval jowar and bajra blend with a naturally gluten-free profile
- ✓ Wholesome, earthy base with superior crunch retention
- ✓ Clean-label positioning that meets modern health-snacking demand
- ✓ Ideal as finished chips or as a co-manufacturing ingredient

Best For

Branded Snack Packs | Flavoured Chips | Private Label | HoReCa
